

1/13

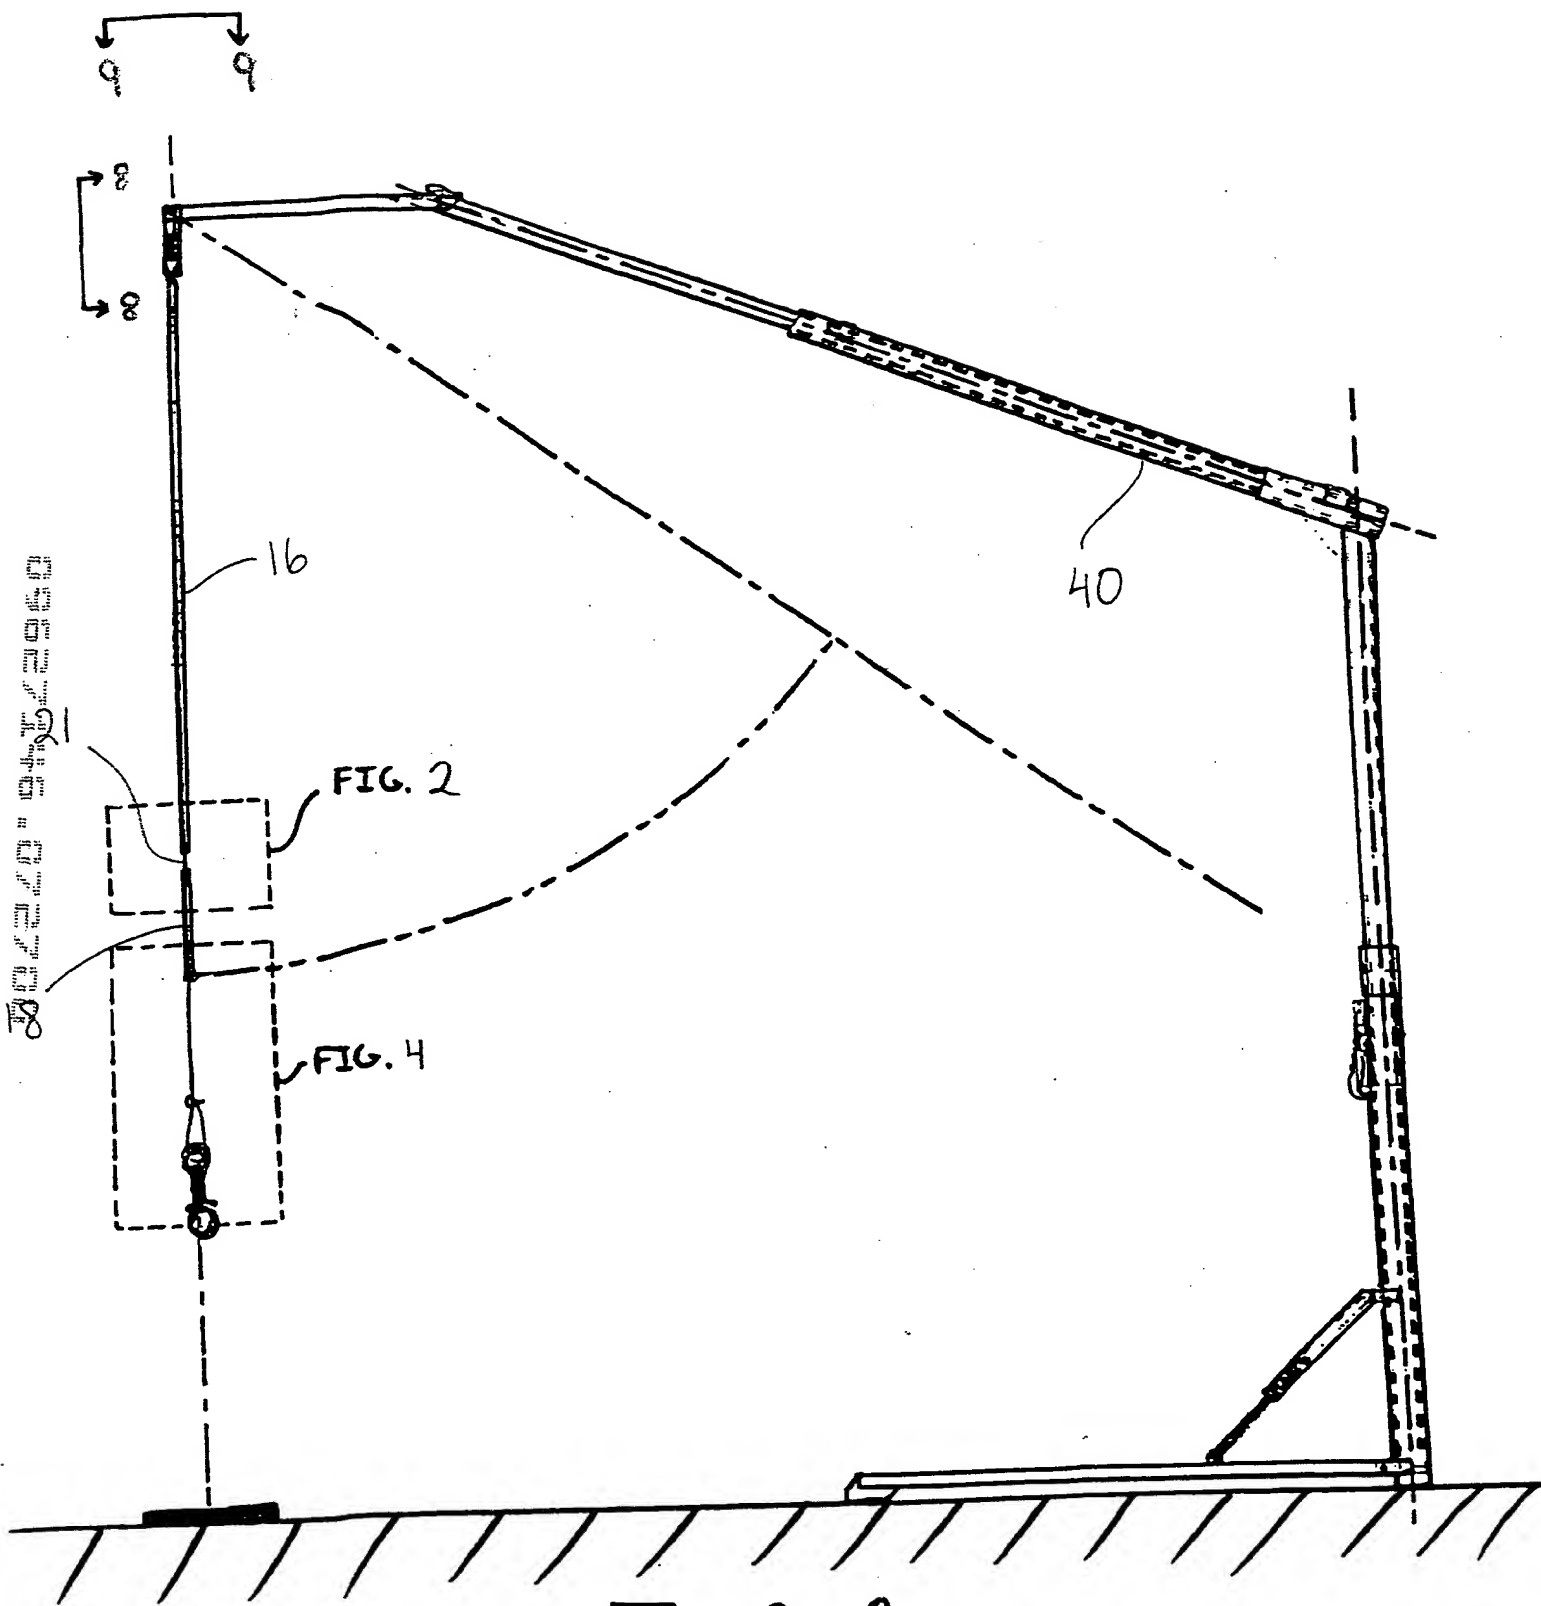

FIG. 2

The diagram illustrates a mechanical assembly. A central vertical shaft, labeled 27, passes through a rectangular housing, labeled 16, and a lower rectangular component, labeled 18. A circular element, labeled 29, is mounted on the shaft within the housing. The top and bottom edges of the housing and the lower component are shown with jagged, torn-paper-like outlines. A bracket on the right side of the housing is labeled 21.

FIG. 3

A black and white photograph showing a wooden structure, likely a fence or barrier, made of vertical posts and horizontal beams. A white arrow points to a horizontal beam, and a white box with the number '72' is visible. The structure appears to be made of light-colored wood or metal. The background is dark and textured.

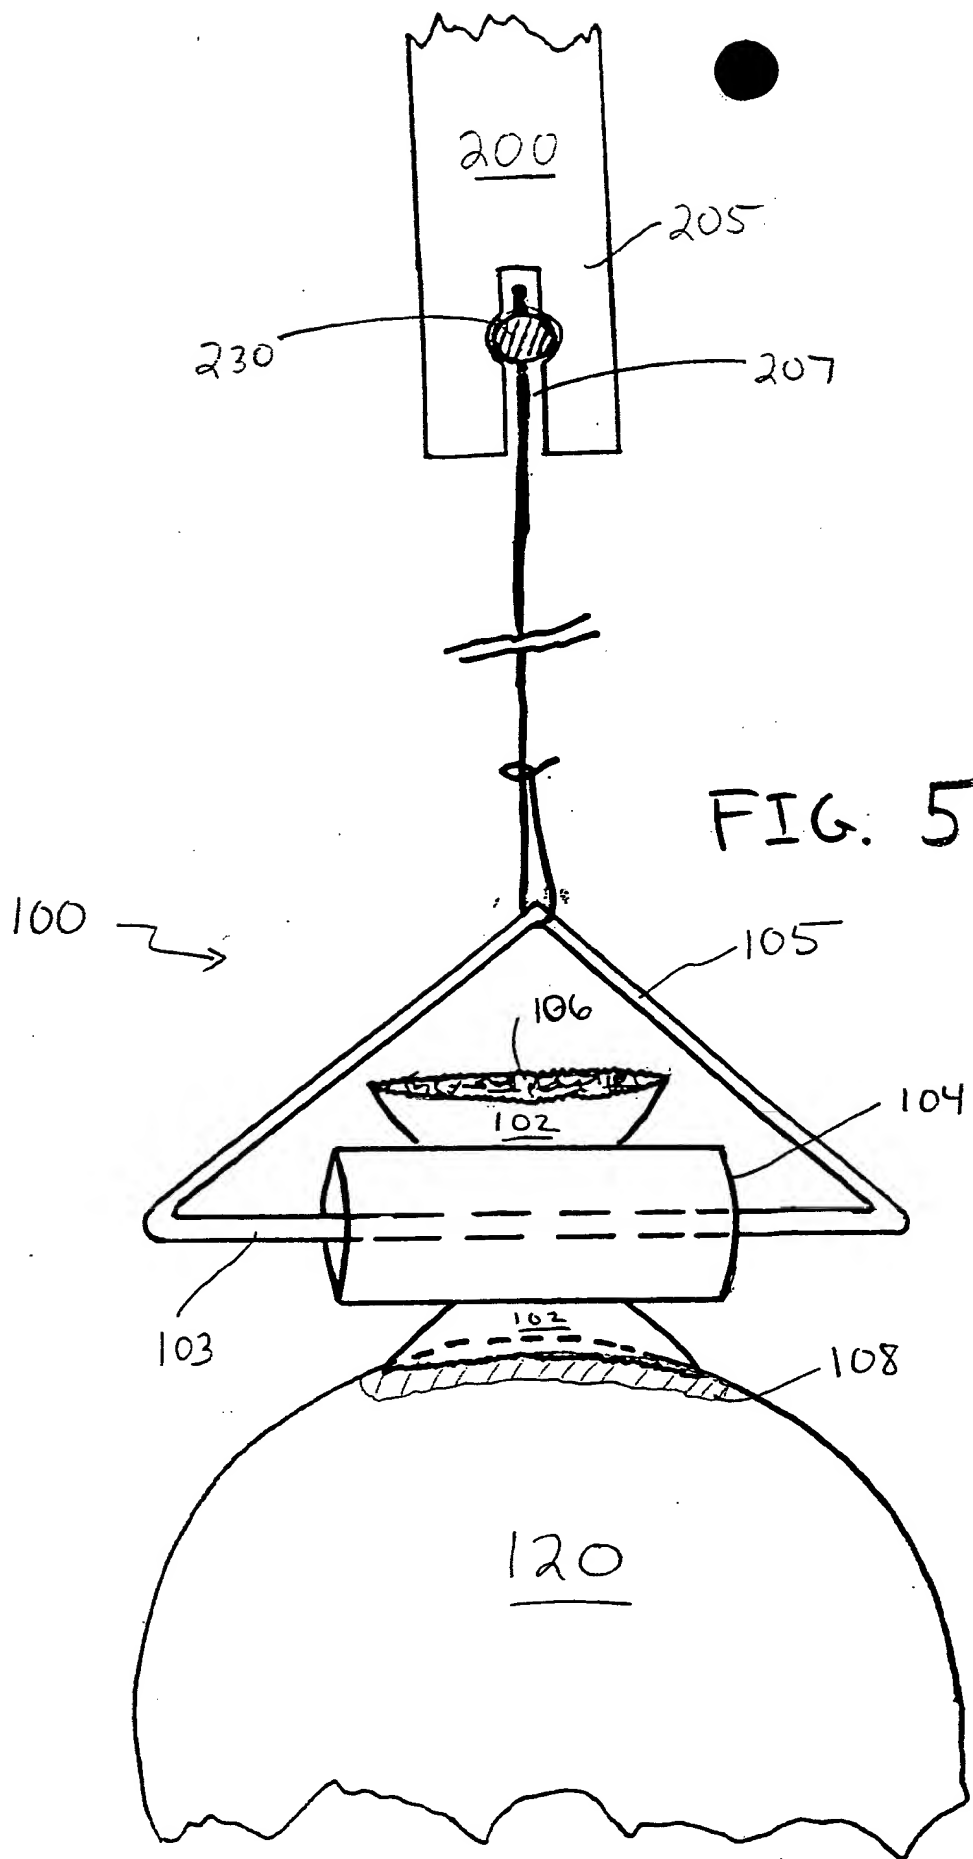

4/13

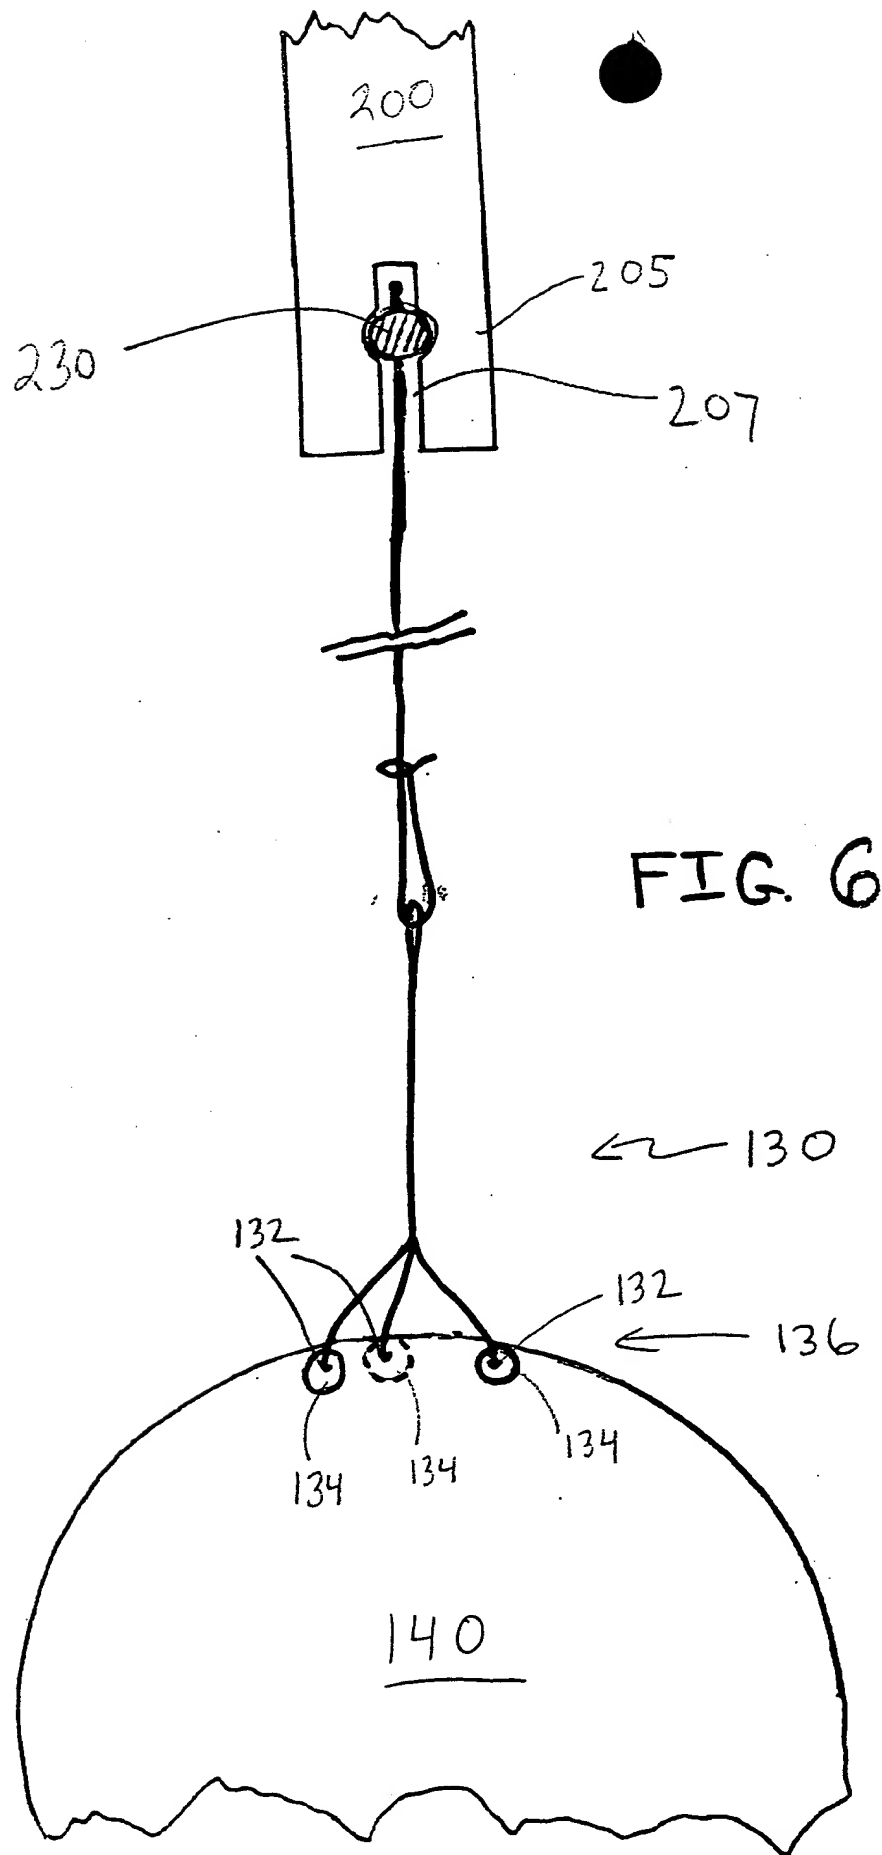

A black and white photograph of a dark, textured surface, possibly a book cover or folder. Several white labels with handwritten numbers are attached. At the top left is a label with '69 -'. Below it is a label with '63' and a small arrow pointing to a metal clasp. To the right of the clasp is a label with '← 60'. Further down on the right side are three more labels: '← 66', '← 65', and '← 68'. At the bottom right is a label with '- 67'. The surface is dark and grainy, with some lighter areas and a vertical crease or seam running down the center.
